Model	Length	Depth	Height
CE447	490mm	490mm	715mm

BC145

Height	850mm
Length	506mm
Depth	565mm
Gross Capacity	113 litres

Standard Features:

- >> Double glazed glass door - reversible
- >> Internal light
- >> Adjustable shelves
- >> Manual thermostat
- >> Internal fan

BC52

Height	501mm
Length	445mm
Depth	510mm
Gross Capacity	52litres

Standard Features:

- >> Double glazed reversible glass door
- >> Manual thermostat
- >> Adjustable shelves

BC85

Height	780mm
Length	506mm
Depth	565mm
Gross Capacity	92 litres

**Standard Features:**

- >> Double glazed reversible curved glass door
- >> Internal light
- >> Adjustable shelves
- >> Manual thermostat

VPS014

Height	850mm
Length	630mm
Depth	567mm
Gross Capacity	129 litres

**Standard Features:**

- >> Double glazed self closing reversible glass door with lock
- >> Internal light
- >> Fan assisted refrigeration
- >> Adjustable shelves 1/1 gastronome
- >> Digital temperature control and display
- >> White finish

Options:

- >> Solid door or stainless steel models - P.O.A.

Drink**Standard Features:**

- >> Cold drink machine and dispenser
- >> Easily dismantled for cleaning - no tools required
- >> Perfect seal dispensing taps

Tanks	1x15lt	2x15lt	3x15lt

Da banco

Height	540mm
Length	1000mm
Depth	420mm
Gross Capacity	120litres

Standard Features:

- >> Two glass shelves and mirrored base
- >> One side fixed glass, one side sliding door
- >> Static cooling and internal fan
- >> Temperature range +2°C/+15°C (+25°C/60% RH)
- >> Internal light
- >> Manual thermostat

OP XS

Height	820mm
Length	450mm
Depth	440mm
Gross Capacity	80 litres

Standard Features:

- >> External light box
- >> Internal lighting
- >> Two adjustable shelves
- >> Manual thermostat
- >> Temperature range +2°C/+6°C

A high performing, energy efficient counter top chiller for point of sale merchandising

HB80 SKOPE COUNTER TOP CHILLER

Height	780mm
Width	500mm
Depth	500mm
Footprint	0.25m ²
Gross Volume	80 litres
Capacity (system)	40 bottles
Shelf 1	25 bottles
Shelf 2	15 bottles
Weight Empty	27kg
Weight Loaded	63kg
Length of Cable	2m
Air Direction In	Back
Air Direction Out	Back
Electrical Rating	220-240V 50-60Hz
Power Consumption	2.56W/h/24hrs
Operating Temperature	+7°C to +4°C to -6°C ambient
Refrigerant	R134a
HEPS	Yes
Warranty	1 year parts + labour necessary
